

# Table Of Contents

LIFE AND LIVING PROCESSES.....	3
Compare Glucose, Sugar and Starch.....	4
Test Start with Iodine Solution.....	5
Test Different Foods For Starch.....	6
Evaluating an Investigation.....	7
Study of The Ecosystem.....	8
MATTER AND MATERIALS AND PROCESSING.....	10
Demonstrate That There Are Spaces Between Particles of Matter.....	10
Demonstrate That Particles of Matter Move.....	11
MIXTURES OF MATERIALS.....	12
Investigating Different Mixtures of Solids.....	12
Mixtures of solid and liquid substances.....	13
Mixing Oil and Water.....	14
Separate Mixtures of Solids.....	15
Separating Mixtures of Solids and Water.....	16
Observing How Copper Sulphate Dissolves in Liquid.....	17
Investigate the Solubility of Solids In Water.....	18
Investigate Solutions to See If We Can Recover the Solute from The Solvent By The Process Of Settling.....	19
Investigate Solutions to See If We Can Recover the Solute From The Solvent By Filtering....	20
Investigate Solutions to See If We Can Recover the Solute From The Solvent By Evaporating The Solvent.....	21
Make A Saturated Solution of Salt.....	22
Investigate, Measure and Draw Graphs of Rate Of Dissolving.....	23
<b>Part 1:</b> Investigate the influence of temperature on the rate of dissolving.....	23
<b>Part 2:</b> Investigate the influence of stirring the mixture on the rate of dissolving.....	23
<b>Part 3:</b> Investigate the influence of grain size on the rate of dissolving.....	24
PROCESS TO PURIFY WATER.....	25
Investigate Different Methods to Purify Water.....	25
Investigate Different Methods To Purify Water.....	25
ELECTRIC CIRCUIT.....	26
Build A Simple Circuit.....	26
Design and Make A Simple Switch.....	27
Test Different Materials to See If They Conduct Electricity.....	28
Make A Circuit with An Electric Motor.....	29
Make A Circuit with A Light Source And Buzzer.....	29

## CONTENTS

Copper Sulphate	50g	Measuring Cylinder 50 ml	1
Iodine Solution	50ml	Pasteur Pipette	2
9V Battery with Snap	1	Petri Dish PLASTIC	2
Battery Holder	1	Safety Glasses	1
Battery Snap	1	Spatula	1
Buzzer 3v with Lead	1	Steel Wool	1 Pack
Crocodile Wire	4	Chalk	2
Electric Motor	1	Paper Clips -	
Electrical Switches	1	Pins - Split	
Torch Bulb	2	Rubber Band	
Torch Bulb Holder	1	Ruler - Plastic	1
Dowel Sticks- 10cm	1	Tape – Measuring	1
String (Small)	1 Roll		
Beans	50g		
Food Colouring -	1		
Beaker Glass - 100ml	1		
Beaker Plastic-100ml	3		
Filter Paper - Sheets	10 Sheets		
Funnel	1		
Glass Rod	1		
Gloves	1 Pair		
Magnifying Glass	1
